

DURLEY PARISH COUNCIL
CONFLICT OF INTEREST POLICY

Durley Parish Council aims to carry out its activities in the best possible way, along with best practice and avoid situations where there might be a potential conflict of interest.

Conflicts of interest could arise where an individual's personal or family interests and/or loyalties conflict with those of the Council. Durley Parish Council does not wish to inhibit free discussion, but if a member does have a conflict of interest they should declare it.

Any work carried out by Durley Parish Council will be discussed with Councillors and the person with the conflict of interest will have no vote on who to appoint. This will protect the Councillor from any conflict of interest.

Adopted April, 2024
