What are the FIVE Business Growth Factory Programmes

1

COMMERCIALISATION SUPPORT

Turn your ideas into growth.
A tailored programme to
commercialise your innovations and
achieve success.

4

SME LEADERSHIP & DIGITAL PRODUCTIVITY

Enhance your productivity through
leadership and digital solutions.
Helping you identify and address
inefficiencies for improved
performance.

3

ACCELERATION SUPPORT

Tailored guidance helping your
business accelerate growth,
become market leaders and
optimise value

2

INCUBATION & SCALE-UP SUPPORT

Scale your early-stage company with
a marketable product **QUICKLY**.
Optimise your business model, refine
your product and prepare for
investment.

5

SUSTAINABILITY WORKSHOPS

Integrate sustainable practices into
your business and build a plan
towards achieving net-zero goals.
